MANAGEMENT PROXY CIRCULAR FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON TUESDAY SEPTEMBER 19, 2023

This management proxy circular (the “Circular”) and accompanying form of proxy are furnished in connection with the solicitation of proxies by and on behalf of the management of Plaintiff for use at the Meeting, at the time and place and for the purposes set out in the accompanying Notice of Meeting.

It is desirable that as many Common Shares as possible be represented at the Meeting. If you do not expect to attend in person and would like your shares represented, please complete the enclosed instrument of proxy and return it as soon as possible in the envelope provided for that purpose. To be valid, all instruments of proxy must be deposited with Computershare Investor Services Inc. (the “Transfer Agent”) at 100 University Avenue, 8th Floor, South Tower, Toronto, Ontario M5J 2Y1 no later than 1:00 PM (Toronto time) on Friday September 15, 2023 or not less than 48 hours (excluding Saturday, Sundays and holidays) before the time for holding any adjournment or adjustments of the Meeting. Late instruments of proxy may be accepted or rejected by the Chairman of the Meeting in his or her discretion and the Chairman is under no obligation to accept or reject any late instruments of proxy.

Except where otherwise indicated, the information contained in this Circular is given as of August 15, 2023.

Pursuant to National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to deliver proxy solicitation materials to the beneficial owners of the Common Shares. The Company may pay the reasonable costs incurred by such persons in connection with such delivery.

Notice and Access

Under Notice and Access, instead of receiving printed copies of the Meeting materials, shareholders receive a notice with information on the date, location and purpose of the Meeting, as well as information on how they may access the meeting materials electronically. Meeting materials will be available on Plaintiff’s website (www.plaintree.com) as of August 15, 2023. The Meeting materials will also be available on SEDAR at www.sedar.com.

All costs of solicitation will be borne by Plaintiff.

VOTING

How a Vote is Passed

Voting at the Meeting will be by a show of hands, each shareholder having one vote, unless a poll is requested or otherwise required, in which case each shareholder is entitled to one vote for each share held.

In order to approve a motion proposed at the Meeting, a majority of the votes cast will be required.

Who Can Vote?

A registered shareholder, or a non-objecting beneficial owner (“**NOBO**”) whose name has been provided to the Transfer Agent, as of August 4, 2023 (Record Date), will appear on a list of shareholders prepared by the Transfer Agent for purposes of the Meeting and be entitled to attend and vote at the Meeting (in person or virtually).

If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled “Non-Registered Shareholders” set out below.

Methods of Voting

Voting in Person at the Meeting

To vote in person at the Meeting each registered shareholder or NOBO will be required to register with the Meeting by identifying himself, herself or itself as such to the scrutineer. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf but documentation indicating such officer’s authority should be presented at the Meeting.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, Plaintiff invites you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented. See “*Voting by Proxy at the Meeting*”.

Voting by Proxy at the Meeting

Registered shareholders or NOBOs who do not wish to or cannot attend the Meeting in person may appoint someone else to attend the Meeting and act as their proxyholder to vote in accordance with their instructions. To do so, the registered shareholder or NOBO should sign, date and deliver the accompanying proxy, together with the power of attorney or other authority if any, under which it was signed or a notarially certified copy, to Computershare Trust Company of Canada, 9th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1 so that it is received by no later than 1:00 pm (Ottawa time) on Friday September 15, 2023 or at least forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to any adjournment thereof. In the case of a corporation, the proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

Unregistered shareholders who receive the proxy through an intermediary must deliver the proxy in accordance with the instructions given by such intermediary. See “Non-Registered Shareholders” below.

The persons named in the accompanying proxy are directors or executive officers of Plaintiff. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT ON HIS, HER OR ITS BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE PROXY AS PROXYHOLDERS. TO EXERCISE THIS RIGHT, THE SHAREHOLDER MUST STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE PROXY AS PROXYHOLDERS AND INSERT THE NAME OF HIS, HER OR ITS NOMINEE IN THE SPACE PROVIDED OR COMPLETE ANOTHER PROXY.** A shareholder giving a proxy has the right to attend the Meeting, or appoint someone else to attend as his, her or its proxy at the Meeting and the proxy submitted earlier may be revoked in the manner described above under the heading “Revocation of Proxies” below.

The persons named in the accompanying proxy will vote or withhold from voting the Common Shares in respect of which they are appointed by proxy on any ballot that may be called for in accordance with the instructions thereon, and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. In the absence of such specifications, such Common Shares

will be voted in favour of each of the matters referred to herein. Each such matter is described in greater detail in this Circular.

The accompanying proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting and other matters which may properly come before the Meeting. **It is the intention of the persons designated in the accompanying proxy to vote in accordance with their best judgement on such matters or business.** At the time of printing of this Circular, the management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting.

Revocation of Proxies

A shareholder who or an intermediary acting on behalf of a shareholder who has given a proxy has the power to revoke it. A proxy given pursuant to this solicitation may be revoked pursuant to Section 148(4) of the *Canada Business Corporations Act* (“**CBCA**”): (i) by instrument in writing, executed by the shareholder or by the shareholder’s legal representative authorized in writing and deposited with Computershare, 100 University Avenue, 9th Floor, South Tower, Toronto, Ontario, M5J 2Y1 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; (ii) by delivering the revocation prior to voting to the chairman of the Meeting on the day of the Meeting, or any adjournment thereof; or (iii) in any other manner permitted by law.

Non-Registered Holders

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders are “non-registered” shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. More particularly, a person is not a registered shareholder in respect of Common Shares which are held on behalf of that person (the “**Non- Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators or self-administered RRSP’s, RRIF’s, RESPs and similar plans); or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“**CDS**”)) of which the Intermediary is a participant. In accordance with the requirements as set out in NI 54-101, the Company has distributed copies of the Notice of Meeting, this Circular and the form of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to the Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to the Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Transfer Agent as provided above;
or

- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “voting instruction form”) which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. The Non-Registered Holder must properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to direct the voting of the Common Shares which he, she or it beneficially owns. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the persons named in the form of proxy and insert the name of such Non-Registered Holder or such other person’s name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non- Objecting Beneficial Owners). Pursuant to NI 54-101, issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

The Meeting Materials are being sent to registered and non-registered owners of the Common Shares. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

VOTING SHARES AND RECORD DATE

The Company is authorized to issue an unlimited number of Common Shares and an unlimited number of Preferred Shares. As at the date of this Circular, there were issued and outstanding 12,925,253 Common Shares, the holders of which are entitled to one vote for each share held. The Company has no other classes of voting securities. As of the date of this Circular there are 18,325 Preferred Shares which are issued and outstanding. The Preferred Shares are non-voting except when given the right to vote by the CBCA. A simple majority of the votes held by the holders of Common Shares cast at the Meeting, whether in person, by proxy or otherwise, will constitute approval of matters submitted to a vote. The board of directors of the Company (the “**Board of Directors**”) has fixed the close of business on August 15, 2023 (the “**Record Date**”) as the record date for the purpose of determining the shareholders entitled to receive a Notice of Meeting but the failure of any Shareholder to receive a Notice of Meeting does not deprive such shareholder of a vote at the Meeting. If a person has acquired shares of the Company after the Record Date, that person is entitled to vote those shares at the Meeting upon producing properly endorsed share certificates, or otherwise establishing share ownership, and demanding the inclusion of his, her or its name on the list of shareholders not later than ten (10) clear days before the date of the Meeting.

PRINCIPAL SHAREHOLDERS

As at the date of this Circular, to the knowledge of the directors and officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, more than 10% of the Company’s Common Shares (the sole voting shares of the Company) except as follows:

Estate of Nora Watson (deceased) Arnprior, Ontario	1,575,000 ⁽⁵⁾	12.2%

- (4) *Also holds 3,902.75 Preferred Shares of the Company.*
- (5) *Also holds 4,121.25 Preferred Shares of the Company.*

As of August 15, 2023, the directors and officers of the Company beneficially own, directly or indirectly, or exercise control over 4,451,476 Common Shares, which represents 34.44% of the issued and outstanding Common Shares

MATTERS TO BE ACTED UPON AT MEETING

1. Presentation of Annual Report for Fiscal 2023

A copy of the Company's annual report for the year ended March 31, 2023 which includes the Company's audited consolidated financial statements for the year then ended, the report of the auditors thereon, and management's discussion and analysis, will be placed before the Meeting. Receipt at the Meeting of the auditors' report and the audited financial statements of the Company will not constitute approval or disapproval of any matters referenced therein. The Company's audited consolidated financial statements are available on SEDAR at www.sedar.com or from the Company at www.plaintree.com.

2. Appointment of Auditors

It is intended to vote the proxy solicited hereby (unless the Shareholder directs therein that its, his or her shares be withheld from voting in the appointment of auditors) to re-appoint Welch LLP, as auditors of the Company for the year ended March 31, 2024 and to hold office until the next annual meeting of Shareholders and to authorize the directors to fix the auditors' remuneration.

3. Election of Directors

The term of office of each of the current directors expires at the Meeting. Each director elected will hold office until the next annual meeting of the Company or until his successor is elected or appointed, unless his office

is earlier vacated in accordance with the articles of the Company or with the provisions of the CBCA. The Company does not have an executive committee of the Board of Directors to which the powers of the Board have been delegated.

The number of directors of the Company is currently set at four (4). The persons named below will be presented for election at the Meeting as management’s nominees for the Board of Directors, and the proxyholder named in the accompanying Form of Proxy intends to vote for the election of these nominees. Management does not contemplate that any of these nominees will be unable to serve as a director but, if such an event should occur for any reason prior to the Meeting, the proxyholder named in the accompanying Form of Proxy reserves the right to vote for another nominee in his discretion unless the Shareholder has specified otherwise in the Form of Proxy. All of the nominees are existing directors of the Company.

The process for voting for election of each director will be by individual voting and not by slate. The Shareholders can vote for or against the election of each Nominee on an individual basis. In the event a director nominee has more votes against than are voted in favour of him or her, the nominee will be considered not to have received the support of the Shareholders and the nominee shall not be elected as a director and shall cease to be on the board effective as at the end of the Meeting.

The Company is required to have an audit committee and has constituted a compensation and corporate governance committee. Members of both committees are as set out below.

The following table sets out the names of the nominees for election as directors, the municipality in which each is ordinarily resident, all offices of the Company now held by each of them, their present principal occupation, the period of time during which each has been a director of the Company and the number of Common Shares of the Company beneficially owned by each, directly or indirectly, or over which they exercise control or direction, as at the date hereof.

However, if any other matters which are not now known to Management should properly come before the Meeting, the proxy will be voted upon such matters in accordance with the best judgment of the person voting the proxy.

SHAREHOLDER PROPOSALS FOR NEXT ANNUAL MEETING

For any matter that a person entitled to vote at an annual meeting proposes to raise at the next annual meeting, the Company must receive a proposal in respect thereof, as prescribed by law, in the sixty (60) day period between ninety (90) days and one hundred and fifty (150) days before the one-year anniversary date of the Company's previous annual meeting of shareholders.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as set out elsewhere in this Circular, none of the directors or senior officers of the Company, no management nominee for election as a director of the Company, none of the persons who have been directors or senior officers of the Company and no associate or affiliate of any of the foregoing has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting except to the extent that such persons may be directly involved in the normal business of the Meeting or the general affairs of the Company and with the exception that directors, officers and employees of the Company may be granted stock options.

STATEMENT OF EXECUTIVE COMPENSATION

For the purposes of this Circular, a “**Named Executive Officer**” (as defined in Form 51-102F6 under NI 51-102) or “**NEO**” means each of the following individuals:

- a chief executive officer (“**CEO**”) of the Company;
- a chief financial officer (“**CFO**”) of the Company;
- each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the financial year ended March 31, 2023 whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection 1.3(6) of Form 51-102F6, for the year ended March 31, 2023; and
- each individual who would be a Named Executive Officer under paragraph (c) but for the fact that the individual was neither an executive officer, nor acting in a similar capacity on March 31, 2023.

During the financial year ended March 31, 2023, the Company had two (2) Named Executive Officers: William David Watson II, President and Chief Executive Officer and Lynn Saunders, Chief Financial Officer. Subsequent to the fiscal year end on June 2, 2023, Lynn Saunders was appointed as Chief Operating Officer of the Company and Robert Turley was appointed as the Chief Financial Officer.

The objective of the disclosure set out below is to communicate to Shareholders the compensation arrangements the Board of Directors has determined that the Company pays to its President and Chief Executive Officer and directors for the financial year ended March 31, 2023, to provide insight into executive compensation as a key aspect of the overall stewardship and governance of the Company and to inform shareholders as to how decisions about executive compensation matters relating to the Company are made.

Compensation Discussion and Analysis

Compensation, Philosophy and Objectives

The Company has not yet established a formal compensation program. On advice from time to time given by the compensation and corporate governance committee, the Board of Directors meets to discuss and determine compensation for the President and Chief Executive Officer, without reference to formal objectives, criteria or analysis. The President and Chief Executive Officer of the Company is responsible for determining the compensation arrangements for the balance of the employees, including other senior management, of the Company. The compensation and corporate governance committee is currently comprised of two independent directors, namely Jerry Vickers and Girvan Patterson together with William David Watson II, the President and Chief Executive Officer of the Company.

Each compensation and corporate governance committee member has a general business background, senior management experience and involvement with other companies (see their biographical information appearing in this Circular under the heading “**Election of Directors**”) which is relevant to his responsibilities as a member of the compensation and corporate governance committee.

The responsibilities, powers and operation of the compensation and corporate governance committee are set out in its written charter. The compensation and corporate governance committee is generally responsible for, among other things:

- reviewing and making recommendations to the Board of Directors with respect to the appointment, compensation and other terms of employment of the President and Chief Executive Officer;
- reviewing and making recommendations to the Board of Directors with respect to the Company’s compensation principles, policies and plans for the President and Chief Executive Officer;
- reviewing and making recommendations to the Board of Directors with respect to the compensation arrangements for members of the Board of Directors;
- reviewing, administering and interpreting equity-based compensation plans and making recommendations to the Board of Directors with respect to the grant of compensation thereunder;
- providing risk oversight of the Company’s compensation policies and practices and identifying and mitigating compensation policies and practices that could encourage inappropriate or excessive risk taking by the President and Chief Executive Officer; and
- reviewing and approving certain compensation disclosures prior to their public release.

The compensation and corporate governance committee has the ability to consult as needed with outside compensation consultants and/or advisors when reviewing the compensation program for the President and Chief Executive Officer of the Company.

The general objectives of the Company’s compensation strategy are to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long term shareholder value; (b) align management’s interests with the long term interest of shareholders; (c) provide a compensation package that is commensurate with other companies that are in the same industry as the operating divisions of the Company (electronics and specialty structures) to enable the

Company to attract and retain talent; and (d) to ensure that the total compensation package is designed in a manner that takes into account the constraints that the Company is under by virtue of the fact that it is a venture issuer without a long history of positive earnings.

Role of Executive Officers in Compensation Decisions

The Board of Directors, as a whole, following receipt of recommendations from the compensation and corporate governance committee, ensures that the total compensation paid to the President and Chief Executive Officer, is fair and reasonable. The Board of Directors relies on the experience of Company management and its members as officers and directors of other companies in assessing compensation levels. The President and Chief Executive Officer of the Company is responsible for ensuring that total compensation paid to the other employees, including senior management, of the Company is fair and reasonable. The President and Chief Executive Officer of the Company is also a member of the compensation and corporate governance committee.

Compensation-related Risks

The Board of Directors provides regular oversight of the Company's risk management practices with respect to compensation policies and practices, and to identify and mitigate compensation policies and practices that could encourage inappropriate or excessive risks by the President and Chief Executive Officer. The compensation and corporate governance committee has reviewed the risks associated with the Company's compensation policies and practices for its President and Chief Executive Officer and has not identified any risks from the Company's compensation policies or practices that are likely to have a material adverse effect on the Company. The compensation and corporate governance committee and the Board of Directors have concluded that the Company has policies and practices to ensure that the President and Chief Executive Officer does not have incentives to take inappropriate or excessive risks, including the following:

- an appropriate mix of fixed and variable compensation is employed;
- the Board of Directors and the compensation and corporate governance committee have discretion to determine the amount, if any, of awards pursuant to the Company's variable short-term incentive programs, with awards historically only being made out of the Company's operating profits;
- annual incentive awards are not determined until the completion of the audit of the Company's consolidated annual financial statements by the Company's independent auditors;
- the Company has an organizational culture of prudent risk-taking with a practice of promoting from within the organization; and
- the compensation and corporate governance committee is comprised of a majority of independent directors.

Analysis of Elements

The Company generally considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Company to reward each Named Executive Officer's efforts to increase value for shareholders without requiring the Company to use cash from its treasury. Stock options are generally awarded to directors, officers, consultants and employees at the commencement of employment and periodically thereafter. The terms and conditions of the Company's stock option grants, including vesting

provisions and exercise prices, are governed by the terms of the Company's stock option plan (the "**Stock Option Plan**") and are determined by the Board of Directors as a whole.

No changes are presently being considered for the Company's compensation policies and practices in fiscal 2023 other than the implementation of a global bonus plan for the Company's management which will be based on the Company achieving certain financial and non-financial targets during the fiscal year. The final details regarding the global bonus plan are still to be considered by the Company's Governance and Compensation Committee.

Long Term Compensation and Option Based Awards

The Company has no long term incentive plans other than the Stock Option Plan. The Company's directors, officers, consultants and employees are entitled to participate in the Stock Option Plan. The Stock Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board of Directors believes that the Stock Option Plan aligns the interests of the Named Executive Officer and the Board of Directors with shareholders by linking a component of executive compensation to the longer term performance of the Company's Common Shares. Options are granted by the Board of Directors. In monitoring or adjusting the option allotments, the Board of Directors takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the Named Executive Officers and the Board of Directors. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility.

In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Board of Directors also makes the following determinations:

- parties who are entitled to participate in the Stock Option Plan;
- the exercise price for each stock option granted;
- the date on which each option is granted;
- the vesting period, if any, for each stock option;
- the other material terms and conditions of each stock option grant; and
- any re-pricing or amendment to a stock option grant.

The Board of Directors makes these determinations subject to and in accordance with the provisions of the Stock Option Plan. The Board of Directors reviews and approves grants of options on an annual basis and periodically during a financial year.

Pursuant to the Stock Option Plan, the Board of Directors grants options to directors, officers, consultants and employees as incentives. The level of stock options awarded to a Named Executive Officer (as defined below) is determined by his or her position and his or her potential future contributions to the Company. The exercise price of stock options is determined by the Board of Directors but shall in no event be less than the trading price of the Common Shares of the Company on The Canadian Stock Exchange (CSE) at the time of the grant of the option.

No options were granted to the Directors and Officers of the Company during the fiscal year ended March 31, 2023.

Long Term Incentive Plan (LTIP) Awards

The Company does not have any long-term incentive plans and, save as disclosed above, no remuneration payments were made, directly or indirectly, by the Company to its Named Executive Officers during the year ended March 31, 2023.

An LTIP means “any plan providing compensation intended to serve as an incentive for performance to occur over a period longer than one fiscal year whether performance is measured by reference to financial performance of the Company or an affiliate or the price of the Company’s shares but does not include option or stock appreciation rights plans or plans for compensation through restricted shares or units”.

Incentive Plan Awards

The Company does not have any share-based awards.

The Company currently has in place the Stock Option Plan for the purpose of attracting and motivating directors, officers, employees and consultants of the Company and advancing the interests of the Company by affording such person with the opportunity to acquire an equity interest in the Company through rights granted under the plan to purchase shares of the Company.

The Stock Option Plan is administered by the Board of Directors of the Company and provides that a majority of members of the board participating in any decisions as to a grant of options under the Stock Option Plan shall be persons who are not employees of the Company. Options may be granted at any time to any director, officer, service provider or employee (who shall be a full-time salaried) of the Company or its subsidiaries, taking into consideration, among other things, the past, present and potential contribution of a particular director, officer, service provider or employee to the success of the Company, the value of his or her services to the Company and any other factors which the Board of Directors may deem proper and relevant provided that a director to whom any option may be granted may not participate in the discussion of the board of directors to grant such option.

Subject to the provisions of the Stock Option Plan, the Board of Directors determines the time or times when options are granted, the number of Common Shares for which any option may be granted, the option exercise price at which Common Shares may be purchased under any option, the conditions, if any, to be satisfied before any option may be exercised and the expiry date of any option and cause the Company, subsequent to the grant of an option, to enter into an option agreement with each participant evidencing each option granted which incorporates such terms as the Board of Directors in its discretion deems consistent with the Stock Option Plan. The Stock Option Plan provides that the terms and conditions upon which an option is granted need not be the same for each participant.

The maximum term of any option granted under the Stock Option Plan is ten (10) years from the date of grant of the option. The expiration of any option is accelerated if the optionee's employment or cessation of involvement with the Company terminates for any reason, other than for just cause, in which case the unexercised options granted to such optionee immediately terminate. Subject to different arrangements being made between the Company and an individual optionee, the Stock Option Plan provides that the optionee has 90 days from the date of termination, resignation, removal or discharge to exercise all existing options, except in the case of death of an optionee, in which case options may be exercised by the legal representative (or by the person or persons to whom the rights of the optionee have passed by will or operation of law) generally for a period of 180 days from the date of death. Other than on death, the options are non-transferable.

The maximum number of options that may be granted under the Stock Option Plan is 1,200,000, representing 9.3% of the currently issued and outstanding Common Shares of the Company. In addition, the number of Common Shares which may be reserved for issuance on the exercise of options granted under the Stock Option Plan and granted under any other arrangement to any one individual (including insiders of the Company) may not exceed 5% of the issued and outstanding Common Shares of the Company (on a non-diluted basis) at the time of the grant.

The exercise price of an option is set by the Board of Directors at the time of grant, based upon the closing price, on the trading market that the Company's shares are then available to be traded or quoted, of the Common Shares on the last trading day prior to the date of the grant. Currently, the Company's Common Shares are traded on The Canadian Stock Exchange (CSE). Payment of the exercise price of an option may be

made by cash, certified cheque or bank draft. The Stock Option Plan does not provide for any financial assistance to be provided to any optionee to facilitate the purchase of Common Shares.

The Board of Directors may suspend, amend or terminate the Stock Option Plan at any time without notice, provided that no outstanding option is adversely affected thereby unless the affected participant consents to such amendment. The approval of the shareholders is required only for amendments that increase the number of shares available for issuance under the Stock Option Plan, that materially increase the benefits accruing to participants or that materially change the class of persons eligible for the granting of options. As of August 15, 2023, the Company has 880,000 issued and outstanding options to purchase Common Shares having an average exercise price of \$0.11.

The following chart details the number of securities to be issued upon the exercise of outstanding stock options issued under the Company’s Stock Option Plan, the weighted average exercise price of such options and the number of common shares remaining available for issuance under equity compensation plans of the Corporation as of March 31, 2023.

- (e) reasonable expenses incurred in the normal course for board/Company business (i.e. travel and hotel) are reimbursed by the Company.

The Company currently has four directors, two of which are management directors and are not entitled to director fees: William David Watson II, the Company’s President and CEO and a Named Executive Officer and Sean Watson, the Company’s VP of Operations. The directors also receive incentive in the form of stock options, at the discretion of the Board of Directors, for serving as directors of the Company. The purpose of the cash fee and the granting of options is to assist the Company in compensating, attracting, retaining and motivating the directors of the Company and to align the personal interest of each of the directors to that of the shareholders.

MANAGEMENT CONTRACTS

Except as otherwise disclosed in this Circular, management functions of the Company are generally performed by directors and senior officers of the Company and not, to any substantial degree, by any other person to whom the Company has contracted.

DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

The Company maintains directors' and officers' liability insurance in an amount of \$5,000,000 (per loss and aggregate), subject to zero (\$) retention for claims except for claims indemnified by the Company which have a retention of \$15,000. The total annual premium charged to the Corporation for this coverage was approximately \$16,700.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

The Company must also, pursuant to the provisions of National Instrument 52-110 *Audit Committees* (“**NI 52-110**”), have a written charter which sets out the duties and responsibilities of its audit committee. In providing the following disclosure, the Company is relying on the exemption provided under NI 52110, which allows for the short form disclosure of the audit committee procedures of venture issuers.

The Audit Committee Charter

The Company’s audit committee is governed by an audit committee charter, the text of which is attached as Appendix A to this Circular.

Composition of Audit Committee

The Company’s audit committee is comprised of three directors, Girvan Patterson, Sean Watson and Jerry Vickers. None of the members of the audit committee are executive officers. Sean Watson is an employee of the Company, Girvan Patterson and Jerry Vickers are not employees of the Company. All three audit committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements and are therefore “financially literate”.

Relevant Education and Experience

All of the audit committee members are businessmen with experience in financial matters; each has an understanding of accounting principles used to prepare financial statements and varied experience as to the general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their fields of endeavour. See information regarding the background and experience of the audit committee members in “Election of Directors” in the section entitled “Matters to be Decided On”.

Audit Committee Oversight

Since the commencement of the Company’s most recently completed financial year, the Board of Directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Company’s most recently completed financial year, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approved Policies and Procedures

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Board of Directors, and where applicable the audit committee, on a case-by-case basis.

Exemptions

At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis Non-audit Services*) or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

Exemption in Section 6.1 of NI 52-110

As the Company is a venture issuer, it is relying on the exemption in Section 6.1 of NI 52-110 from the requirement of Parts 3 (Composition of the Audit Committee) and 5 (Reporting Obligations).

External Auditor Service Fees (By Category)

The aggregate fees billed by the Company's external auditors in each of the last two fiscal years for audit fees are as follows:

Financial Year Ending	Audit Fees (\$)	Audit Related Fees⁽¹⁾ (\$)	Tax Fees⁽²⁾ (\$)	All Other Fees⁽³⁾ (\$)
2023	154,000	2,000	85,867	Nil
2022	141,500	2,000	58,250	Nil

- (1) Fees charged by Welch LLP for assurance and related services reasonably related to the performance of an audit and not included under "Audit Fees".
- (2) Fees charged by Deloitte LLP for tax compliance, tax advice and tax planning services.
- (3) Fees for services other than disclosed in any other column.

CORPORATE GOVERNANCE

The following discussion regarding corporate governance is provided pursuant to National Instrument 58101, *Disclosure of Corporate Government Practices*, and in accordance with Form 58-101F2 (the "**Practices**"). The following describes the Company's approach to corporate governance.

The Board of Directors

The Practices define an "independent director" as a director who has no direct or indirect material relationship with the Company. A "material relationship" is in turn defined as a relationship which could, in the view of the Board of Directors, be reasonably expected to interfere with such member's independent judgment. In determining whether a particular director is an "independent director" or a "non-independent director", the Board of Directors considers the factual circumstances of each director in the context of the Guidelines.

The Board of Directors is currently comprised of four (4) members, half of whom are “independent directors” within the meaning of the Practices. The two (2) independent directors are Girvan Patterson, and Jerry Vickers and both comprise the independent directors committee. The remaining two (2) directors are officers and employees of the Company and as such have material relationships with the Company and therefore are not independent.

The Board of Directors does not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. However, the independent directors are encouraged to request a meeting without the presence of the non-independent directors if they deem it appropriate.

The Board of Directors meets at least every quarter for a formal board meeting. Depending on the level of activities of the Company, the Board of Directors will meet on an *ad hoc* basis where necessary to provide input, guidance and assistance to management.

Board of Directors’ Mandate

The Board of Directors is responsible for the overall stewardship of the Company. The Board of Directors discharges this responsibility directly and through delegation, as appropriate, of specific responsibilities to committees of the Board of Directors, the chair and officers of the Company.

The Board of Directors has established three (3) permanent committees to assist with its responsibilities: (i) an audit committee; (ii) a compensation and corporate governance committee; and (iii) independent directors committee.

Orientation and Continuing Education

Responsibility for orientation programs for new directors is assigned to the compensation and corporate governance committee. In this regard, the compensation and corporate governance committee’s duties include ensuring the adequacy of the orientation and education program for new members of the Company’s Board of Directors. The CEO of the Company reviews with each new member (i) certain information and materials regarding the Company, including the role of the Board of Directors and its committees, (ii) the contribution, including the commitment of time and resources, that each individual director is expected to make, and (iii) the legal obligations of a director of the Company.

The compensation and corporate governance committee is also responsible for arranging continuing education for directors, as necessary, in order to ensure that directors maintain the skill and knowledge sufficient to meet their obligations as directors.

Ethical Business Conduct

During fiscal 2023, the Board of Directors has adopted a written code of ethics and business conduct and ethics and instituted a whistleblower policy. In addition to the code and new policy, the Board of Directors through open discussion also encourages and promotes on an ongoing basis a culture of ethical business conduct.

In addition, in order to ensure independent judgment in considering transactions/agreements in which a director/officer has a material interest, all material transactions including any related party transactions are first considered by the independent directors committee before being sent to be approved by the Board of Directors.

Nomination of Directors

Annually, the Board of Directors considers its size when it meets to consider the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account several factors including the number of directors required to carry out board of director duties effectively and the requirements of the Company to have a diversity of voices and skill-sets on the Board of Directors.

Compensation

Management of the Company conducts an annual review of the compensation of the Company's outside directors and makes recommendations to the Board of Directors as appropriate. The Board of Directors determines compensation for the directors. See "*Statement of Executive Compensation – Compensation of Directors*."

Assessments

The Board of Directors monitors the adequacy of information that is provided to directors, communications between the Board of Directors and management and the strategic direction and processes of the Board of Directors and its committees. The Board of Directors does not consider that formal assessments would be useful at this time. The Board of Directors conducts informal annual assessments of the board of director's effectiveness, including that of its individual directors as well as its committees, at the in-person board meeting following the annual meeting of shareholders. As part of this assessment, the Board of Directors may review its mandate and conduct reviews of applicable corporate policies.

Diversity

In assessing potential directors and members of the executive or senior management, the Company focuses on the skills, expertise, experience and independence which the Company requires to be effective. While the Company respects the value of diversity, and recognizes that diversity supports balanced debate and discussion which, in turn, enhances decision-making, due to the small size of the Board and the management team, and the stage of development of the Company's business, the Board believes that the qualifications and experience of proposed new directors and members of senior management should remain the primary consideration in the selection process and that setting of targets would not be efficient. The Company therefore does not have a written diversity policy relating to the identification and nomination of directors who are part of designated groups, and the Company has not adopted a target number or percentage (or range) for members of the designated groups to hold positions on the Board or to be members of management by a specific date. The *Employment Equity Act* (Canada) defines "**designated groups**" to include women, Aboriginal peoples, persons with disabilities and members of visible minorities. There is current no member of the Board who is a member of visible minorities (representing 0% of the Board) and one member of management who is a woman (representing 50% of management). There are currently no other members of the designated groups who hold positions on the Board or who are members of management.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No informed person or proposed director of the Company and no associate or affiliate of the foregoing persons has or has had any material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which in either such case has materially affected or would materially affect the Company or any of its subsidiaries.

An "informed person" means:

- (a) a director or executive officer of the Company;
- (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company;
- (c) any person or company who beneficially owns, directly or indirectly, the Company's voting securities or who exercises control or direction over the Company's voting securities or a combination of both carrying more than 10 percent of the voting rights attached to all the Company's outstanding voting securities other than voting securities held by the person or company as underwriter in the course of a distribution; and
- (d) the Company if it has purchased, redeemed or otherwise acquired any of the Company's securities, so long as the Company holds any of its securities.

The Committee’s role is one of oversight. Management is also responsible for establishing internal controls and procedures and for maintaining the appropriate accounting and financial reporting principles and policies designed to assure compliance with accounting standards and all applicable laws and regulations.

The independent auditor’s responsibility is to audit the Company’s financial statements and provide its opinion, based on its audit conducted in accordance with generally accepted auditing standards, that the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in accordance with GAAP.

The Committee is responsible for recommending to the Board the independent auditor to be nominated for the purpose of auditing the Company’s financial statements, preparing or issuing an auditor’s report or performing other audit, review or attest services for the Company and for reviewing and recommending the compensation of the independent auditor. The Committee is also directly responsible for the evaluation of and oversight of the work of the independent auditor. The independent auditor shall report directly to the Committee.

AUTHORITY AND RESPONSIBILITIES

In addition to the foregoing, in performing its oversight responsibilities the Committee shall:

1. Monitor the adequacy of this Charter and recommend any proposed changes to the Board.
2. Review the appointments of the Company’s Chief Financial Officer and any other key financial Executives involved in the financial reporting process.

3. Review with management and the independent auditor the adequacy and effectiveness of the Company's accounting and financial controls and the adequacy and timeliness of its financial reporting processes.

This review may include discussions with the independent auditor without the presence of management.
8. Review with management and the independent auditor significant related party transactions and potential conflicts of interest.
9. Pre-approve all non-audit services to be provided to the Company by the independent auditor.
